April 9, 2018

From: Christopher Mutty, IFC Judicial Committee Chair

Dear Liam,

This letter serves to inform you of the outcome of an IFC Judicial Committee hearing on April 6, 2018. Thank you to you and your fraternity members for your attention to the matter at hand. The hearing considered an alleged violation to the IFC Risk Management Policy on the night of November 4, 2017.

On the night in question, MIT Police received a call concerning an intoxicated and underage woman. Friends of the woman stated that she had drunk alcohol while attending a party at Kappa Sigma. The woman was transported to a hospital for medical attention.

Following the hearing, the IFC Judicial Committee has deemed this case an individual disciplinary issue and found Kappa Sigma not responsible for the alleged violation. This is due to evidence suggesting that the woman was served alcohol in a brother's room and was not served at the party. Evidence did not indicate that the leadership of Kappa Sigma knew or should have known that the woman was being served alcohol in a brother's room.

While this case was deemed an individual disciplinary issue, it does indicate a serious issue within Kappa Sigma. MIT policies were broken on the night in question, and put a young woman at risk. I encourage you, as president, to seek ways to prevent this from happening again in the future. It should be emphasized to the brotherhood that it is unacceptable to serve alcohol to an underage guest, including in the privacy of a brother's bedroom. I also encourage Kappa Sigma to hold the brother who served this woman accountable for his actions.

Respectfully,

Christopher Mutty
Judicial Committee Chair
